

# Tie a Yellow Ribbon Campaign

## Bring Awareness to Political Prisoners

This holiday season, the Tie a Yellow Ribbon Campaign is uniting communities across the nation to draw attention to the plight of political prisoners. These individuals, separated from their loved ones, face another season behind bars. Let's stand together to ensure they are not forgotten.

## Join the Movement

The Dallas 1776 Bridge Brigade invites you to join the movement and tie yellow ribbons in your community to honor Tina Peters, J6ers, and all unjustly incarcerated political prisoners. Let's cover neighborhoods coast to coast with yellow ribbons—on trees, mailboxes, fences, flagpoles, and even pets!

## Get Creative and Share Your Support

1. Tie yellow ribbons in visible locations.
2. Post pictures of your ribbons on social media with a message of solidarity.
3. Use hashtag #yellowribbon to amplify awareness and spread the campaign nationwide.
